

ALESTRA

Welcome to Alestra, where timeless craftsmanship meets the beauty of nature. We are a passionate team of young and dynamic artisans dedicated to producing exquisite high-quality tables made from the finest Slavonian Oak. Our journey began with a vision to create furniture that not only graces spaces with elegance but also stands the test of time, just like the relationships we build with our cherished customers.

Fortis

This table embodies understated elegance with its gracefully curved corners and subtle curvature along every edge. Its robust and powerful metal base provides both stability and a striking contrast to the table's gentle curves, resulting in a harmonious blend of strength and sophistication.
